Troubadours

A remarkably talented, versatile group of young performers, they have amassed a wealth of experience in a few short years: six international tours, including jaunts to Europe, the Caribbean, Iceland, Newfoundland, and Romania; countless appearances within their home state (at Arts Festivals, Carnival Balls, civic and church functions) as well as in Colorado and Mexico; guest appearances with the Memphis Symphony Orchestra and on television; not to mention the annual Spring Concerts at Millsaps, and numerous other special performances.

Throughout the years the *TROUBADOURS* have continued to demonstrate their talent, versatility, and enthusiasm, thereby fulfilling a traditional concept of *troubadours*: taking their talents to the people.

SPORTS

FOOTBALL

The Millsap Majors' 1973 record of five wins and four losses tells only a small part of the successful season. Under the direction of Head Coach Harper Davis and Assistant Coach Tommy Ranager, the Majors rebuilt the defensive unit and sustained a highly potent ground game.

The 1973 season will also be remembered as the year that Millsaps football received long overdue recognition. The September 10, 1973 issue of *Sports Illustrated*, in an article on small college football, featured the Millsaps Majors. Head Coach Davis was inducted into the Mississippi State Sports Hall of Fame and Senior Linebacker Mike Reans was named as a Kodak All-American.

The Majors opened the 1973 season against Mars Hill College of North Carolina. In a game noted for a well executed ground attack, but a poor defensive showing, the visiting Majors lost 38-7. The Majors' lone touchdown came in the fourth quarter when Quarterback Grisham connected with Receiver Aldy for a 53 yard touchdown pass.

The following week the Majors' offense proved its potency as Millsaps defeated the host team, Southwestern, 24-14. Tailback Neepier scored twice with runs of one yard and ten yards. QB Grisham capped a 66 yard drive with a twelve yard run.

The Bisons of Harding College, ranked fifth by the National Association of Intercollegiate Athletics, proved too much for the Majors as Millsaps lost 28-7. The Majors' touchdown came as a result of an eight yard pass from Grisham to Aldy.

In their first home game, the Majors displayed a talented offense and a much improved defense as they rolled over Sewanee, 16-7. The pass defense crippled the visitor's attack, allowing only four completions out of 19 attempts for 60 yards. Cornerback King intercepted a Sewanee pass and returned it 35 yards for a touchdown.

The fifth game of the season netted the Majors against Austin College. The Majors did not disappoint the homecoming crowd as they downed Austin 33-8. QB Grisham provided the first touchdown with a four yard run. Aldy's 24 yard run gave the Majors its second TD. Fullback Echols followed Aldy with a three yard touchdown run and Fullback Axesmith scored on a nine yard run.

The Majors were scalped by the Indians of McMurry

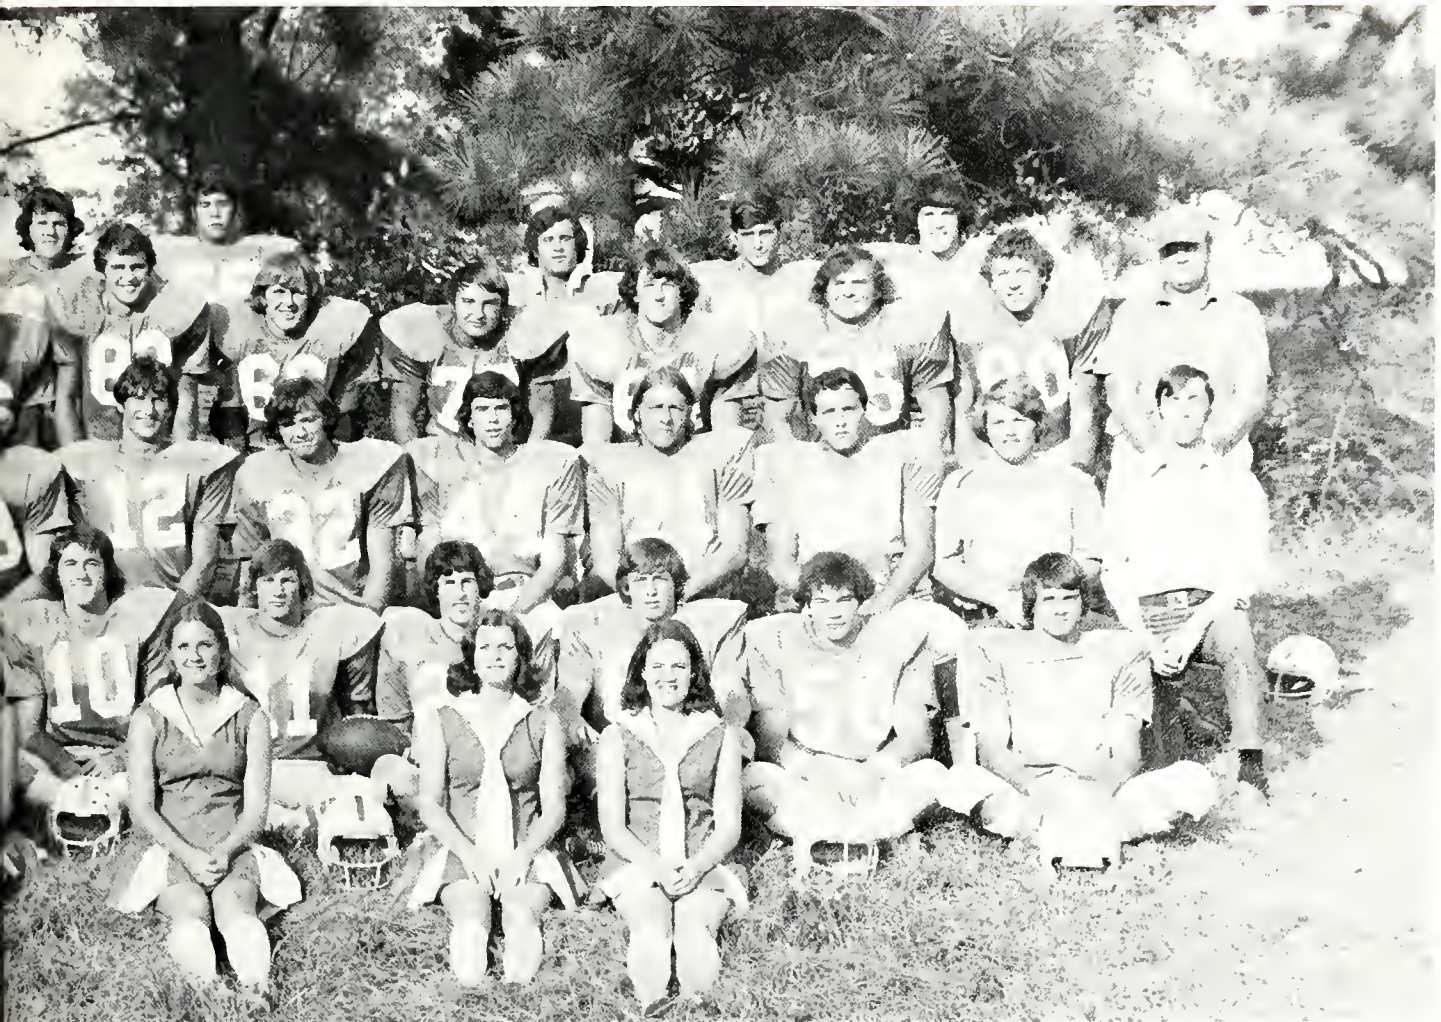

as the hosts fell 7-6. Aldy returned a McMurry punt 79 yards for the TD. Unfortunately a Brindley PAT fell short. A fourth quarter field goal attempt by Brindley was marred by confusion of the field as the attempt was blocked.

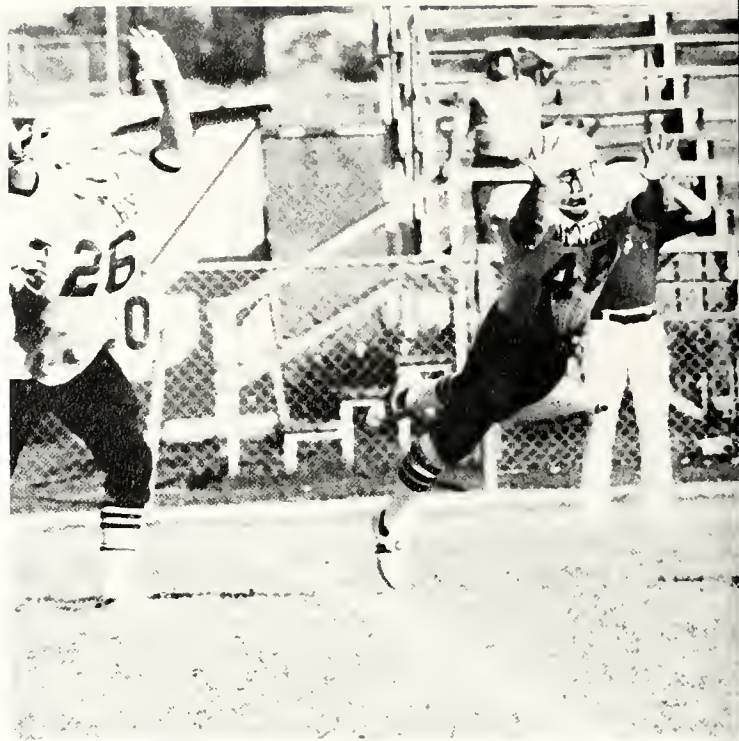

After the loss, the Majors pulled themselves together to defeat Maryville of Tennessee, 7-6. The defensive gem of the day came when the line made a superb goal-line

stand, blocking four one-yard attempts by Maryville. Guard Huoni, Tackles Harris and Herring, and Linebacker Reans were credited with the game-saving defense.

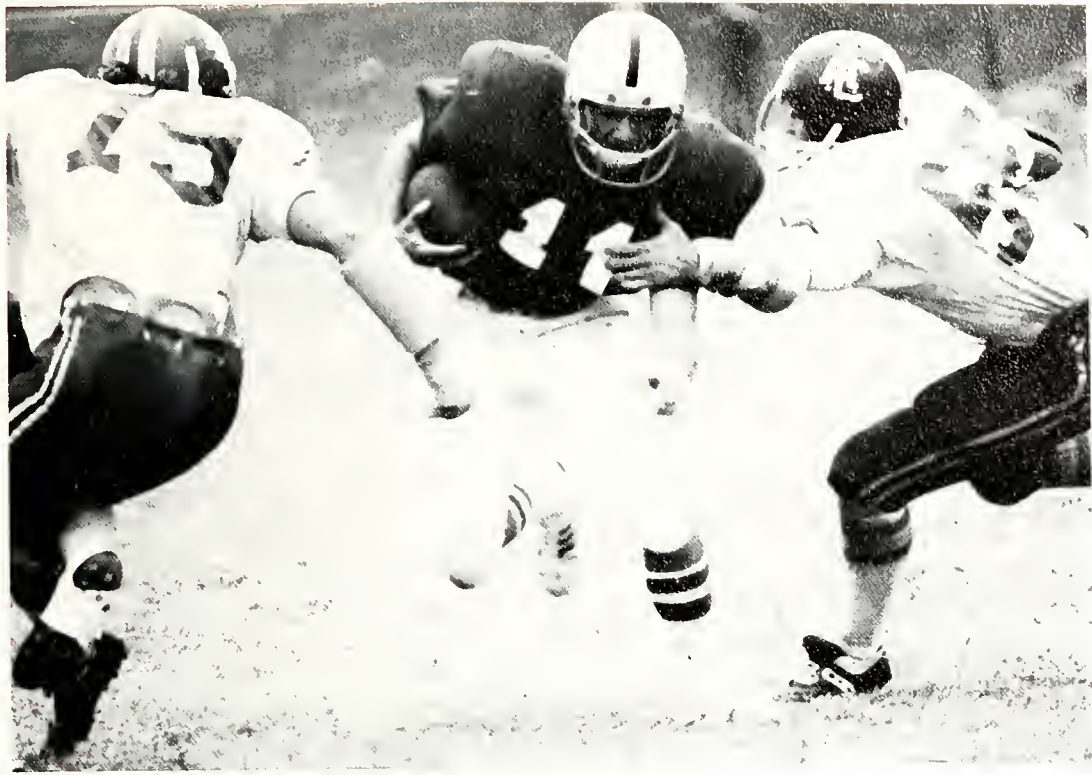

The Bulldogs of Texas Luthern proved too much for the Majors, as Millsaps suffered its fourth and final defeat, 36-6. Millsaps closed its 1973 season against Principia by defeating them.

Basketball

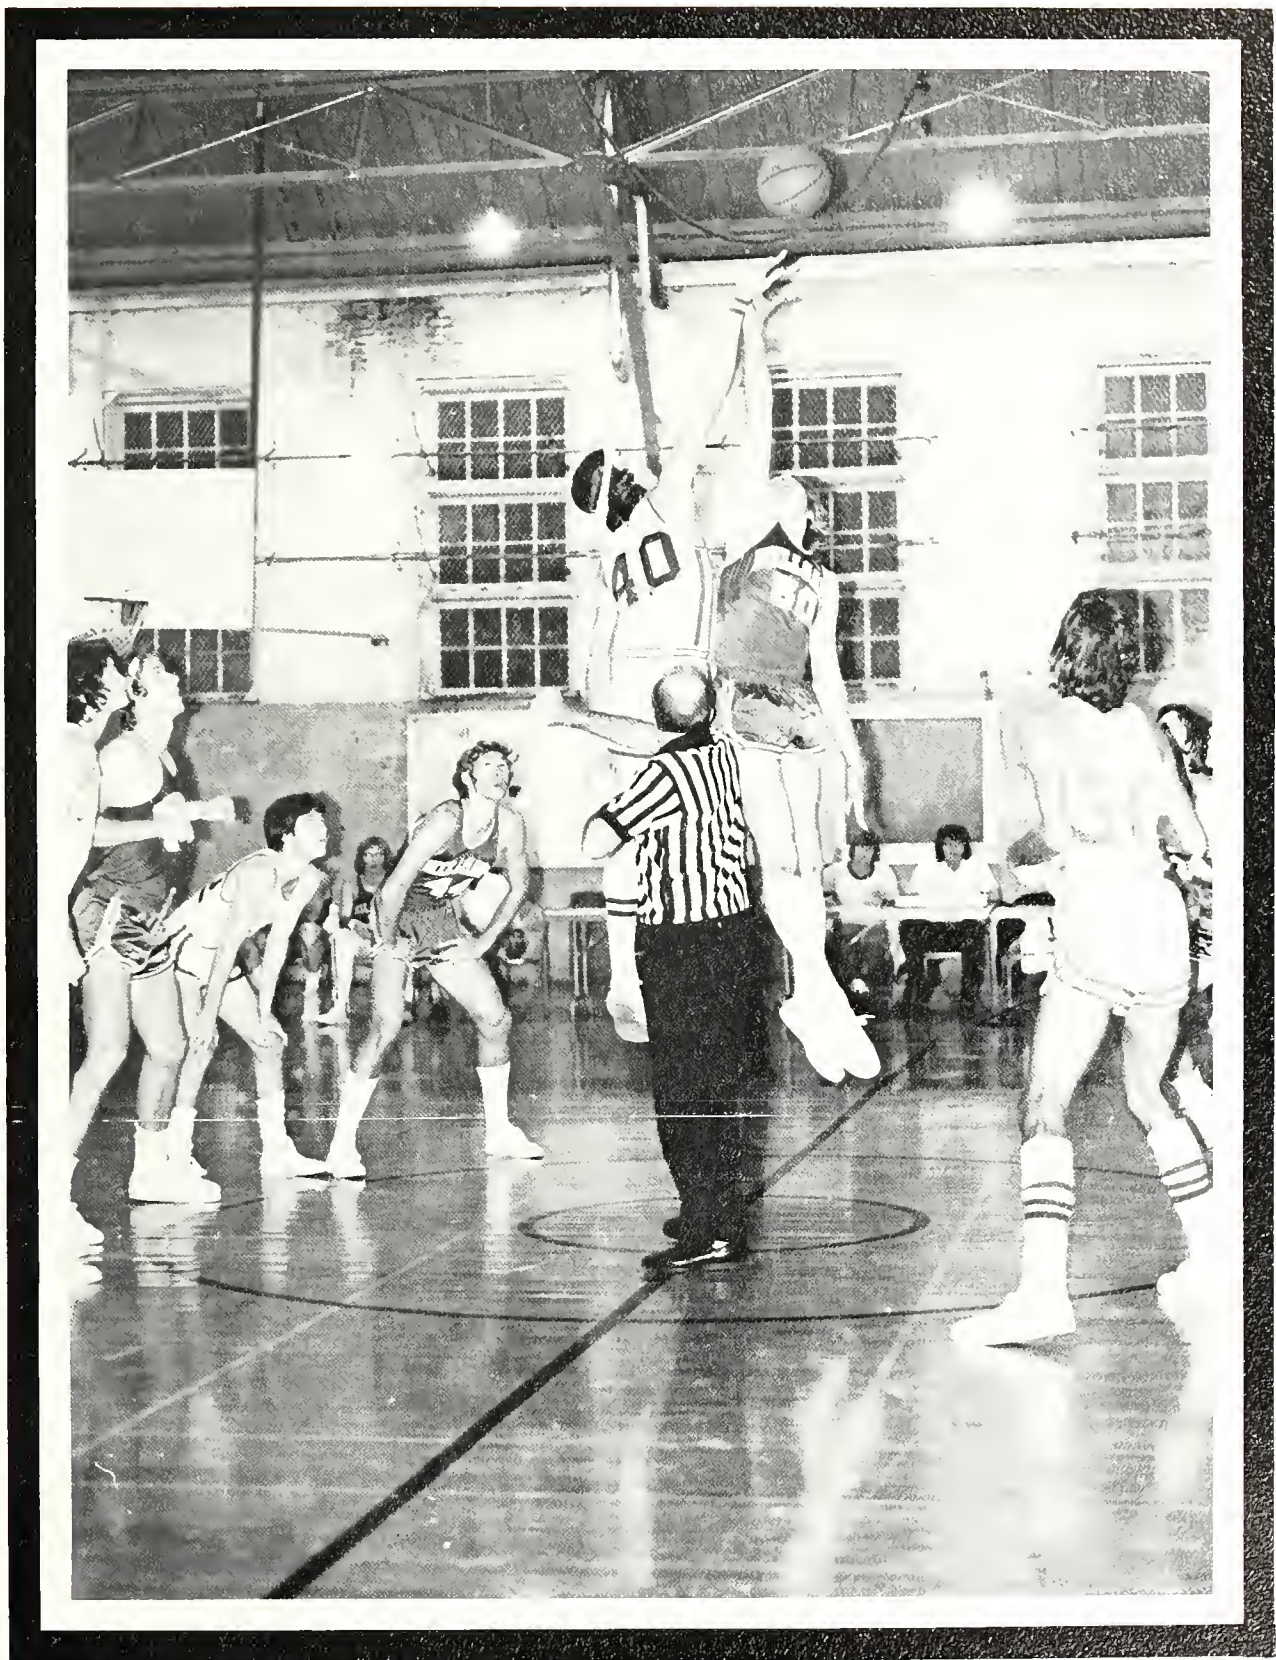

The Millsaps Majors 1973-74 basketball team, coached by James Montgomery and assisted by Bob Boothe, relied heavily on its seven returning seniors to boost the Majors throughout seasonal play. Although there was a size disparity between the Purple and White and most of their opponents, the team exhibited quickness and fine shooting to make up the difference.

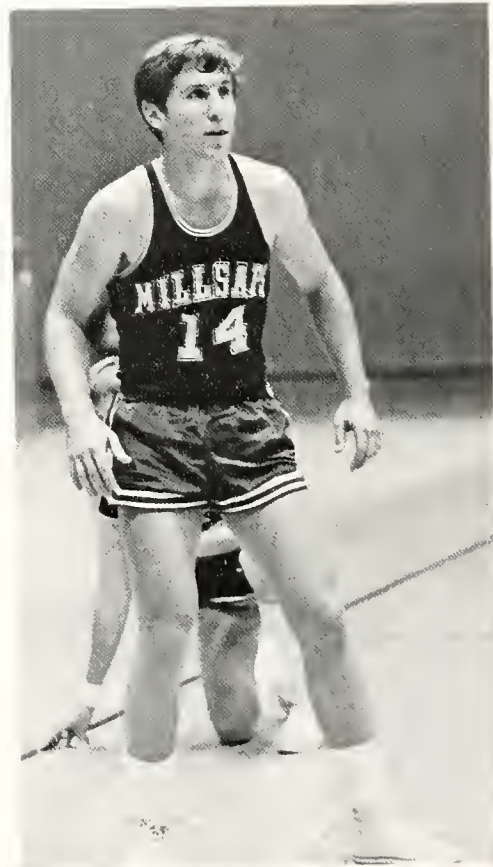

The four returning starters, all seniors, included guards Reggie Jones, Vinny Lynch, Mark Sorgenfrei, and rebounder Scott Varnado. The other seniors who backed up the Majors were guards Al Watts and Kent Vanskiver, and forward Scotty Greene.

Junior college transfers John Tedder and Paul Schlichtman alternated positions under the boards, while junior guard Mike Flautt and sophomore forward Mark Lynch filled in for Millsaps. A mid-season losing streak prevented the Majors from enjoying a winning season and the team ended the year with a 12-14 record.

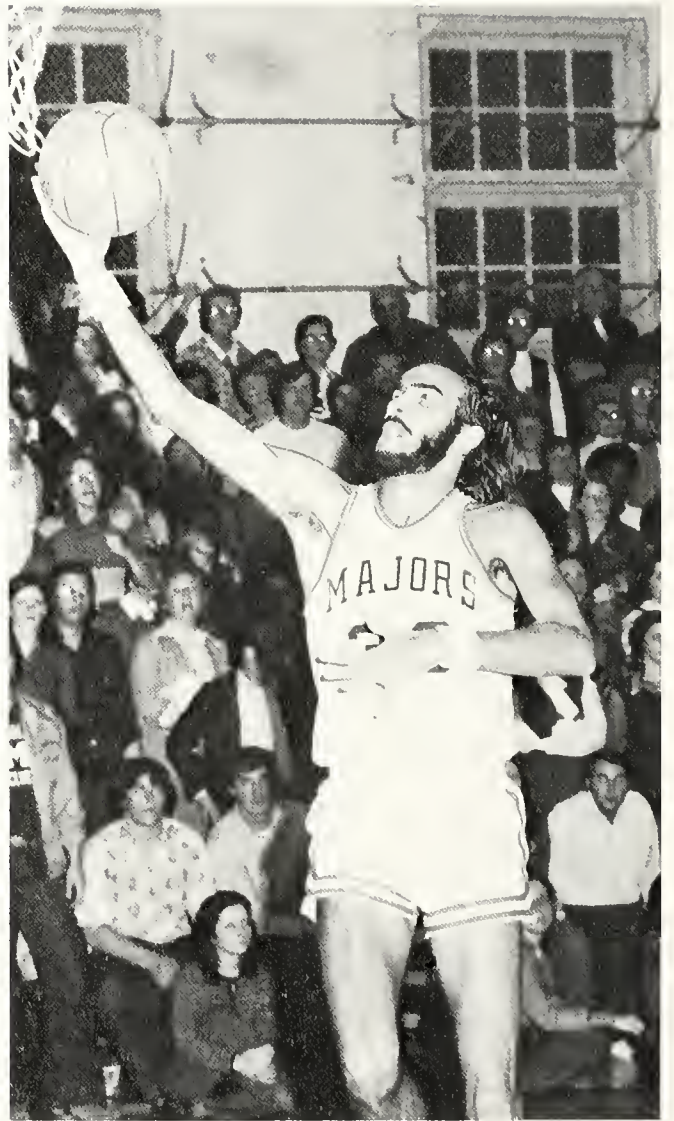

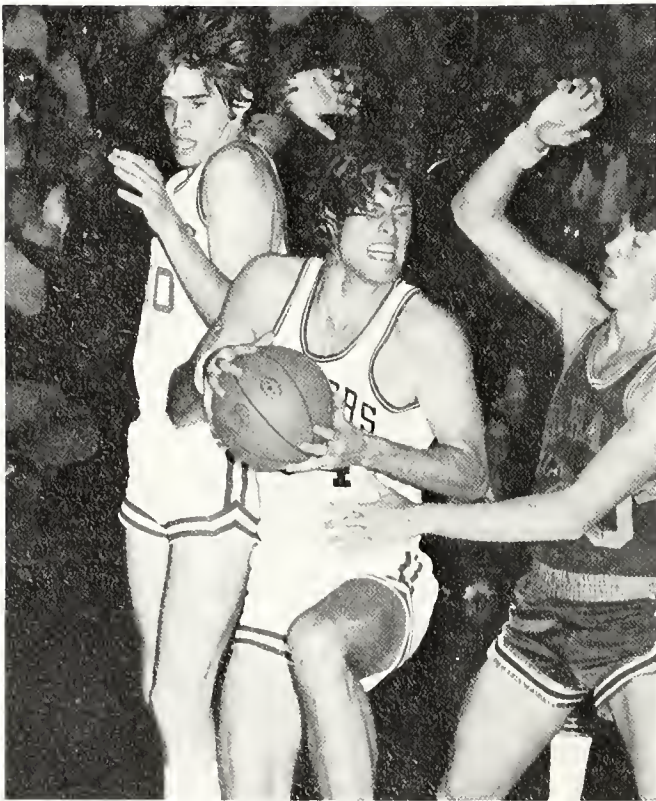

The big upset of the season came when Millsaps knocked off arch-rival Mississippi College, 77-72, in their best overall performance of the season. The heavily favored Choctaws fell victim to the Majors as the last regularly scheduled game in Buie Gym was witnessed before a jam-packed, howling crowd.

Millsaps Players

1973-74 marked the Millsaps Players' Fiftieth Season—and, in honor of the golden anniversary, Director Lance Goss decided to present five major productions. He chose his plays from the cream of contemporary British and American theatre. They included Robert Bolt's *Vivat! Vivat Regina!*, the history of the conflicts between Mary Queen of Scots and Elizabeth I; Tennessee Williams' *The Night of the Iguana*, a sophisticated comedy considered one of Coward's best; and Barry England's *Conduct Unbecoming*, a recent whodunit which delighted Arts and Lecture Series members. Goss closed the year with Rodgers' and Hammerstein's phenomenal hit, *The Sound of Music*.

Mike Reans, 1974 graduate of Millsaps, was named to the Kodak All-American Football Team for 1973 as a result of balloting by 3000 football coaches throughout the nation.

A native of Crenshaw, Reans first received recognition as a center and linebacker at Sledge High School. Under the direction of Coach George Rooks, he made All-conference two seasons in a row and was chosen the team's Most Valuable Player his senior year.

At Northwest Junior College, under Head Coach Ken Bramlett, he was named all-state offensive center, despite the fact that he spent the latter half of the season at linebacker.

While at Millsaps, Reans established himself as a defensive player. In each of his two years with the Majors he was chosen the team's Most Outstanding Lineman by his fellow players. Head Coach Harper Davis called Reans "one of the most complete football players we've ever had at Millsaps."

This marks the second year in a row that Millsaps has had an All-American, as wide receiver Rowan Torrey was named to the Kodak team in 1972.

Reverend David McIntosh, Pastor of Christ United Methodist Church, Jackson, and Millsaps graduate, was selected as one of four persons inducted into Mississippi Sports Hall of Fame on March 25, 1974.

Rev. McIntosh, two-time All-Big Eighter and All-Southern at McComb High School, played college football at Millsaps under Coach Dobie Bartling. At Millsaps he was named Little All-American in 1947 and in 1948.

Upon graduation, the former sophomore and senior class president, Who's Who in American Colleges and Universities, and *Master Major* turned down a professional offer by the Los Angeles Rams to enter the Candler School of Theology at Emory University.

He has been a member of the Millsaps College Board of Trustees since 1969, and was also inducted into the school's Sports Hall of Fame in 1969.

Well Known to Millsaps Students

It's an MP&L fact...

Mississippi Power Light actively supported ways to protect our environment long before the word "Ecology" became common.

Since the company was formed in 1923, efforts toward keeping generating plants, cooling lakes, local offices, vehicles, equipment, and rights-of-way clean have been emphasized by MP & L operations. MP & L backed the formation of and continues to support the "Keep Mississippi Beautiful" program. Through the years, MP&L has been an award winner in its work and cooperation with statewide programs to improve our environment.

Not willing to rest on past performances, MP&L is increasing its efforts to help maintain an environment which promotes beauty, growth, and development.

It's an MP&L fact . . . from MP&L you get more than electricity.
